

# Run of a Lifetime

RW's Fishing Lodge

July 2025

As the river rose, the sockeye came—  
A scarlet tide no force could tame.  
They surged upstream like molten flame,  
And shook the shores with RW's name.

At RW's Lodge, the lines flew fast,  
Each cast a legend, built to last.  
Coolers brimmed, spirits soared high—  
Under the firelit Alaskan sky.

Down by the table, the blades sang clean  
Fillets stacked in a silver sheen.  
Bagged, sealed, frozen with care—  
A taste of the Kenai to take anywhere

The river gave, and we gave back,  
With grateful hearts and freezer packs.

2025—a run so bold,  
Its story carved in water, with memories we'll forever hold.

**What a great July we have had here at RW's fishing lodge!**

We celebrated Independence Day at our annual 4th of July party.  
We also celebrated Jim, Dano, Renee and RW himself with friends, family, food and laughs.  
Along with RW's birthday we had a surprise Wedding celebration.

Congratulations Dano and Erica!!

Thank you to everyone for celebrating many milestones at  
RW's Fishing Resort during July 2025.
